Incorporated: 1855

Origin: The name Laconia was first used in documents granting the land between the Merrimack and Sagadahock Rivers to Captain John Mason and Sir Ferdinando Gorges. Some documents call the grant the Province of Maine, others call it the Province of Laconia, named after a region of Greece. In the 1620s explorers had hoped to follow the Piscataqua River north to Lake Champlain, in search of the great lakes and rivers of Canada told of in Indian lore. These explorers were known as the Laconia Adventurers. The town was originally a portion of Meredith and Gilford named Meredith Bridge, and was incorporated as Laconia in 1855. Incorporated as a city in 1893, Laconia includes Weirs Beach, which bears the name of primitive fishing devices discovered at the outlet of Lake Winnipesaukee.
